- For over 20 years, Mark Charles Associates has been representing the needs of business sellers. Our professional and confidential services are backed by our reputation as Central Pennsylvania's best business brokerage firm. A reputation earned by placing one buyer with one seller...one deal at a time.
- Since 1985, MCA Business Brokers has been involved in appraising businesses, professionally brokering the sales of closely-held companies, and providing consultation services. Our Broker Associates have also operated a variety of successful businesses, giving our clients the benefit of real world experience.
- We have priced, created a marketing plan, and sold virtually every type of business, both large and small. This has provided our firm with access to classified comparable transaction data to create supportable business valuations. This hands-on data gives us unparalleled knowledge of real market values and emerging market trends...ONLY available to MCA business brokers.
- MCA Business Brokers & Advisors is a multi-faceted firm that serves the business community by specializing in the transfer of business ownership to include:
 - Sale, Purchase, Mergers & Acquisitions
 - Valuation of Closely Held Businesses
 - Exit Strategy & Business Planning
 - Providing Sources for Financing the Deal
